Voting Saturday On High S. Building Proposal

YOUTHS OF THE YEAR honors are given to two ATHS juniors in ceremonies here. Richard Meyers, (left), manager of the Lakes Theatre and donor of the award, makes the first presentation to Bob Martin and Sharon Dittman who were chosen on the basis of their activity and citizenship. Runners up in the contest are in the back.

Board, Civic League Meet, Issue Statement On Tax Differences

Meeting in an attempt to clear up school board and Civic League interpretations of the high school bond issue, the League Wednesday afternoon made the following statement:

"The Lake County Civic League states that since there has been some confusion about anticipated tax increase if the proposed \$1,785,000 Antioch High School bond issue were to pass on May 9, the League will attempt to clarify various figures quoted.

"The League estimate of \$38.60 on a house valued for tax purposes at \$10,000 is based on the last known official assessed valuation of \$41,372,220 for the Antioch High School district. A good estimate of 1958 valuation, according to the county clerk would set 1958 valuation at approximately \$51,000,000.

"THE ESTIMATE of tax rate increase anticipates approximately two years of interest at 3 1/2 percent would have to be paid on the first bond maturity due to the long period of time that elapses while taxes are being extended, collected and distributed. Taxes to retire this issue probably will not be available until the early part of 1961. Antioch High School board is estimating an additional tax increase on close to \$29 on a house assessed at \$10,000. This estimate is based on estimated valuation of \$54 million for the 1959 levy year. This is the year that taxes for this purpose would first be levied.

"The League stated that if the estimate of tax increases are based on anticipated 1959 valuation, the school board estimate of \$29 would be accurate."

Single Question on Ballot for Site, \$1,785,000 Plant

A large turnout of voters is expected Saturday when the issue of a new \$1,785,000 high school for the Antioch High School district comes up for approval or disapproval. Polls in three places will be open from noon to 8 p. m.

The much-discussed problem of overcrowding in the present high school was studied by the school board and a group of citizens who formed the Citizens' Advisory Council and after considering the problem and various solutions, came up with a plan for a new building.

THE SCHOOL BOARD took it from there, hired an architect, and decided upon a two stage building to eventually house about 1,800 students. However, the first stage construction will be the only one at issue Saturday. It would house 800-900 students.

Voters will mark a yes or no to a two-part question. The question asks for erection of the building and purchase of property on which to build it. The site desired is a 50 1/2 acre tract at the southeast corner of Loon Lake and Deep Lake Rds., across the street from the new Oakland School of the Antioch Grade school district. Both sites are in Lake Villa township.

THE PROPERTY is offered to the school board for \$20,000 which the board feels is a bargain price. Not only is it ideal for a building to be constructed on, but it lies very near the center of predicted population growth for the two townships, the board says.

Voting will be in the Antioch High School for all residents living in Antioch Township and that part of Newport Township in the high school district; in Lake Villa Grade School for all residents west of Lindenhurst; and in B. J. Hooper Grade School in Lindenhurst for all residents of that village plus the community of Millburn.

It is noted that boundary lines have been changed for voting to include all Lindenhurst residents which is section 24, 25, 36 and parts of sections 1 and 2 which are in the high school district. Formerly some Lindenhurst residents voted in the Lake Villa Grade School. Maps will be available at all polling places so that voters will cast ballots in the proper precincts.

THE BOND ISSUE CALLS for issuance of bonds to be paid off in a 15 year period which would make the last payment due in 1975. The school board figures that the maximum tax increase for each taxpayer

with acceptance of this issue would be 26 cents per \$100 valuation. That amount will be reached twice during retirement of the bonds. Lowest amount of increase would be 8 cents per \$100 valuation and the average would be 17.5 cents per \$100.

The school board still has about \$450,000 to pay on an addition to the present school plant which was completed in the early 1950's. That issue will not be paid off until 1970.

The school board claims that building of a new structure will be the best move economically and educationally for the district while many opponents have disagreed, claiming that an addition to the present building would be best. The school district owns several acres of land at the present site which was purchased for expansion and no one has denied the need of expansion.

AN INTENSIVE campaign to get people to vote yes on Saturday has been conducted by the CAC and school board. A slide presentation has been given before every civic and service group in the district and numerous mailing pieces have been sent out.

However, observers have felt that the issue will be defeated because there is too much agitation against the proposal. The complaints heard most include location of the new (continued on page 5)

Village Board Charitable On Hot Tuesday Night

In a short meeting on a hot night Tuesday, Antioch's Village Board decided to be charitable to almost everyone including onlookers, press, persons outside the village and motorists. It held only a short meeting also.

In order, the board: Served ice-cold soft drinks to a citizen who watched proceedings and two newsmen; Encouraged every resident near the village to come into the community through annexation if they wished;

Decided to make extra long parking stalls for modern long cars in the parallel parking conversion on Main St.

TRUSTEE ERNEST Glenn inquired of the board how the village felt to persons seeking information on being annexed to the village. He said he had been asked by several persons living in nearby subdivisions on the possibilities of entering the village and wanted a board opinion.

It was agreed to encourage nearby residents to seek admission on their own although the trustees felt that coming in to the village should not appear too easy. Residents, in order to participate in municipal services, must comply with village regulations on their own streets, etc. That means, said Trustee Edmund Vos, that the village won't take

everyone indiscriminately but will encourage them and help bring about annexation if they desire.

It was explained that if 100 percent of residents of an area submit a petition calling for annexation, then the village can annex the area by ordinance. But if only 51 percent or more ask for an extension of the limits to include them, then annexation can be accomplished only through court proceedings.

PARKING STALLS will be changed beginning Monday, Edgar Simonsen, street superintendent, reported. The state recommends a minimum of 20 feet length but it is felt that with some American autos as much as 18 feet long, this would make some stalls hard to park in. So the minimum parking stall on the west side of Antioch's Main St. will be 21 feet with most running 24 feet.

The board also was lenient to requests for poppy day observances. The Veterans of Foreign Wars asked for a May 16 date this year and the American Legion has been given permission to hold a sale on the streets here on May 23. Last year the board allowed only one poppy day.

THE BOARD TOOK another look at the need for water and sewer service to the Oakwood Knolls section and appointed Engineer David Miller to draw up an estimated cost structure for the system. The action was prompted by a survey taken by Trustee Frank Applebey which showed that of 82 residents contacted, 81 want sewers soon. Also the majority want the cost, which they will pay for themselves, applied to their water bills instead of a cash charge.

Miller noted that sewers were less expensive to property owners than installation of a septic system. Although a bond firm feels the area is not heavily populated enough to make a bond issue feasible, the board noted that owners of vacant lots are most in favor of installation of sanitary sewers before they build so that they won't have to put in septic tanks as stop-gap measures. Most of the lots in the section have been sold, though construction of homes has not begun, the board added.

About the only persons who did not share the charitable attitude of the board were two men who wished to operate popcorn trailers on Lake St. The board tabled the matter, hoping existing ordinances would take care of the situations.

Rainbow to Fete Mothers on Monday

The Antioch Assembly of Rainbow for Girls will hold initiation at a stated meeting on Monday, May 11, at 7:15 p. m. Election of officers for the next term will take place also.

After the meeting, a short Mother's Day Program will be given. All mothers are invited to come between 9 and 9:30 p. m. Refreshments will be served by Dee Stillson, chairman, and her committee.

A Rainbow bowling party was held on Saturday, May 2.

Motel Owner Donates New Park In Area

A new lighted park will be opened to the public by Les Huff, owner of Golf View Motel on Rt. 83 south of Salem, Wis.

Primarily the park will be home base for the Antioch Men's Softball League but when the league is not using it, it will be available to the public.

CEREMONIES honoring Huff for his interest in the league and his public service will be held Thursday night at the motel as the Softball League meets to draw up schedules.

There will be eight teams in the league including last year's champs, now the Antioch Bowl squad, managed by R. Becman. Other teams and managers are: Chiefs AC, R. Carlucci, mgr.; Saddle Inn, H. Gelden, mgr.; Golf View Motel, by J. Petting; Bussie's Tavern, J. Fields; Fox Lake Hills Sportsman's Club, J. Frystak; Jim's Sinclair, J. Brodie; Lake Villa VFW, P. Waegnef and J. Scharton, mgrs.

Officers of the league for this year are J. Brodie, president; J. Peacock, vice president; R. Carlucci, secretary; J. Oetting, treasurer, and H. Frystak and H. Gelden, publicity.

Tulips Bloom In Hot Weather

Hot weather gives a hint but tulips blooming again on the Hughes Tulip Farm on Loon Lake Rd. verify that summer is here.

The farm owned by Mr. and Mrs. Carl D. Hughes, is ablaze with colors in many new varieties of tulips and many thousands of the buds will be blooming in the next two weeks, Hughes says.

The public is invited to view the display daily.

Flowers Dominate Woman's Club Annual Meeting; Officers Installed

Flowers, bouquets and gifts were important factors at the annual meeting of the Antioch Woman's Club, when 61 officers and members lunched at the Colony House in Trevor, Monday. Yellow jonquils decorated the dining room and members had name plates in the form of jonquils, made by Mrs. Louis Biel, social chairman.

Mrs. Raymond Bruhn welcomed three new members, Mrs. Otto Kasper, Mrs. Ada Overton, and Mrs. Leslie Sorenson, with carnation corsages.

Mrs. Clarence Olson, retiring program chairman for the last two years, received gifts and verbal bouquets for wonderful leadership and interesting programs.

REPORTS WERE MADE by all standing committees. Mrs. Norman Jedele, recording secretary, gave a complete resume of the entire year's activities and the accomplishments of the club.

Paint Swim Pool, Start Selling Bargain Passes

Anyone who has had occasion to drive north on Main St. during the past few days has no doubt noticed the bright reflection coming from the east. That is the Antioch Swimming Pool all decked out in fresh paint, sparkling clean and ready for the 1959 season.

Twenty-four members of the Antioch Lion's club appeared Sunday morning and afternoon, equipped with paint brushes, rollers and a lot of determination.

According to Joe Patrovsky, president of the club, work is to begin on the enlargement of the patio area this week. The canvas covering that is to be installed around the pool as a windbreak will be put up sometime after the pool opening.

...IT IS HOPED that by the addition of this windbreak it will be comfortable for adults during the late evening periods.

The annual Lions Club spring dance will be held at Lyon-Ryan Ford garage this Saturday. Two orchestras have been lined up for the dance and will serve up continuous music starting at 8:30.

In the past the Lions dances have been well attended and a large crowd is expected to be on hand Saturday.

THE DANCE ALSO will serve as a kick-off for season pass sales for the pool. During the week starting (continued on page 5)

Hospital Fund Warning Is Issued

Official collections for the proposed Countryside Hospital have not started yet although some people have "donated" to persons using the hospital as an excuse. Probably the hospital will never see the money.

Mrs. Jane Rundgren, Lake Villa, this week issued the warning to residents of the lakes region to not give money to anyone who solicits for the hospital without proper identification. That will consist of a picture pass bearing the approved seal of the hospital, she said.

COLLECTIONS HAVE not actually begun at all, she said, and will not until her co-workers are completely organized. A meeting held Sunday at Lake Villa drew up plans for conduct of the fund drive. She expects the official start to be next week.

And when we do begin collections, there'll be plenty of publicity so that people will know we are now out in earnest, she said.

It is also known that some clubs have set up collection points for their members for the hospital and this is all right, Mrs. Rundgren added. "We will issue receipts to the clubs for money turned over to us. But individual solicitations just haven't begun," she said. "If you have donated this way you have been taken by a not-so-nice sharpie, she indicated.

New Contest For Kids Begins - Name The Deer

A new and exciting type contest exclusively for kids in this area begins this week with 161 prizes including a handsome wrist watch for the top winner.

All that is necessary is to submit a suggested name for The Antioch News fawn at Deer Haven in Fox Lake. The park opens next Sunday and kids can see the fawn that they will name. The name chosen will be the permanent name for the deer.

JUDGING the contest for kids up to age 16 will be a panel of local residents. Entries will be based upon originality and novelty. Names must not be more than four words.

Turn to page 12 of today's Antioch News to see the complete rules and entry blank for the contest. Then submit as many entries as you wish, kids.

Lindenhurst Water System 'Best In County', Says Engineer, 'But ...

Lindenhurst is served by the best water system in the county, says Engineer Richard Thacker. It's only too bad that the village doesn't own the system.

Ownership of the water system is the first step to getting a much-needed sanitary system for the village, members of the newly reorganized village board heard at a special meeting Monday night. And because the water system is so good, it may be harder to buy. The majority of the mains are 8 inches and pumping capacity at 400 gallons per minute is more than adequate.

THACKER LISTED purchase of the water system, now owned by developer N. H. Engle and Sons, as the logical step to a sewer system because of two reasons: it is usually the only municipal operation that shows a profit; and it is easier to sell bonds for sewer construction if the water system is owned.

However, at the present, the village can not consider buying the system even if Engle would sell, because the village cannot raise enough money due to its assessed valuation not being high enough.

Thacker estimated the water system cost \$300,000 to develop but the village can raise only an estimated \$111,000 in bonding power at its limit of 5 per cent of estimated 1959 assessed valuation.

SO IT WILL be about three to five years before the village can consider buying the water system at that price, Thacker said. But once that hurdle is overcome then Lindenhurst can begin thinking of the sewer system.

The engineer outlined four methods of financing available to build sewer systems and made recommendations on the value of each.

The minimum cost of a sewer system for the village at its present size would be nearly \$400,000 but

Thacker stressed that this would provide only the barest essentials and the least acceptable method of treating sewerage. The cost breakdown he gave was \$300,000 for construction of sewer mains, \$42,000 for three lift stations, and \$20,000 for two sewerage oxidation lagoons.

HOWEVER HE STRESSED that the oxidation lagoons meet only minimum requirements for sewerage treatment and can not be permanent. The best method is a sewer treatment plant which would cost a minimum of \$100,000, he said.

There are only two ways to get government money to help in cost of sewer construction, Thacker added. One is to prove to the state sanitary water board that tax rates added to taxpayers would be too big a burden, or that the village sewerage is polluting interstate waters. However, it would be hard to prove that the village is polluting waters since it is not near any interstate streams, Thacker said.

The value of owning the water system was stressed repeatedly by the engineer. "You can't sell any bond issue now," he said. But with the water system owned, it gives the village a talking point with bonding firms besides having an agency that provides a profit year after year.

THACKER ESTIMATED that with an estimated population of 4,000 which the village could have by 1965, the water system would net a profit of \$16,500 a year. Lindenhurst has given the Lindenhurst Water Co. a 30-year franchise and has an option to buy the system.

While the village cannot do anything soon toward purchasing the water system or planning the much needed sewer network, the board will meet again in about a month to hear a different view of financing by a bonding house representative.

DEAR READER News Editorials

St. Lawrence Seaway — Is It A Threat Or Blessing To America?

Opening of the St. Lawrence Seaway was hailed as a giant milestone to mid-America last week and perhaps opens a new era in growth, industrial and retail activity. But all is not roses with the opening of this giant waterway.

Now foreign products can be imported and unloaded right at our door. Announcement has been made that Kenosha will be the official import dock for all makes of an English auto, as an example.

Rising foreign competition is a growing threat to American industries and opening of the St. Lawrence Seaway will make it even easier for the foreign manufacturers to have an effect in the Antioch area.

Officials at the two local pottery manufacturers have been keeping wary eyes on the growing importance of foreign pottery in the American market. Pottery made in Germany and more recently, Japan, has been put on sale in an ever increasing number of U. S. stores. Most of it is sold at lower prices than American-made china.

The Wall Street Journal recently ran a series of articles on the threat of foreign competition and how it affects American industry. Of particular interest is the disclosure that in one industrial city in Japan, the modern equipped pottery plant employs 3,300 workers turning out ware, most of which is imported into the U.S. This country takes approximately half of Japan's total export in these wares.

One reason that most of the foreign-made products are sold at lower prices, even though costs of shipping are included, is that the economic levels of the U.S. and the foreign countries are so much different.

In Japan, for example, the average Japanese pottery worker earns a little more than \$1 per day. An apprentice in a Japanese pottery manufacturing firm gets no pay but is supported by the skilled potter.

It must be noted that quality of the foreign made articles are excellent — comparable and in some cases better than American-made goods.

As a defense to this foreign competition, large American manufacturers have established plants in Japan, England, Germany and other countries and import their own products to the U.S. in order to compete more favorably. However the manufacturer of products or even the purchase of foreign products by American industrialists and then sold here results in less U.S. employment. Various farm equipment manufacturers have recently started to import tractors under their own brand names and sold to farmers here. One of the largest American china makers has an arrangement where it imports china ware under its own American brand name for sale in the American market.

Perhaps the opening of the St. Lawrence Seaway will contribute to an end to inflation in this country as it at last forces the economies of mass production in this country to be equal with the low wage levels and standard of living in foreign countries. Perhaps very soon we can expect that neither this nation nor foreign nations will have the greater balance of trade.

Hurrah To Area Drivers Because We Don't Have To Talk About You

One of the pleasurable things for this newspaper to do in the past month or so is to not have to report on a series of releases by the Secretary of State.

Periodically The Antioch News gets a list of Lake Counties who have had their driver's licenses revoked or suspended because of continuous traffic infractions. It has been possible for The News to discard almost every release lately because no one from this area has been caught by this stiff arm of the law.

This may indicate that drivers hereabouts are just as bad as those in other sections of the country but don't get caught. Or it may indicate that drivers here are just better than their contemporaries in the county.

We like to lean to the latter view.

But however you wish to look at it, it is a fact that only just a few lakes area residents have had their licenses suspended when there have been names of hundreds of residents in other sections of the county who have been penalized.

We would like to somehow salute area drivers for their care, but to also let this serve as a reminder and a warning that they can not let down in their driving.

All Agree School Bond Issue Deserves Good Voter Response

About the only thing agreed upon by both those against the high school bond issue, and those for it, is that every resident should get out to vote Saturday. Apparently both sides want to know for sure how the people really feel about the \$1,785,000 issue.

The High School Board and the Citizen's Advisory Council have conducted extensive promotion on the issue after their study and recommendations on the problem. Persons against the issue usually have been against it from the start and have refused to have their heads turned by the publicity.

Regardless of what the Lake County Civic League says about the issue, which may be discounted for a number of reasons most important of which is that it is the opinion of one man, we think this is basically a good plan. Because of the long range planning which is needed and which this is designed for, we think it deserves a yes vote.

We feel it is dangerous to toy around with education, especially in a case like this where all agree something must be done. No one has denied the need for additional space for the high school. The method of getting it is the controversial subject.

So like both sides in this issue, we too urge a good vote. We hope there will be no question about it if the proposal is carried or defeated.

Here's How Two View Gov. Stratton's Budget

By State Sen. Robert McClory

Gov. Stratton is a good housekeeper. If that seems like a novelty in government, it is true, nevertheless. The governor budgets the state's income and expenditures just as a thrifty housewife manages the finances of her home.

There have been, and will be, no unbalanced budgets in the Stratton administrations. If the appropriations for schools and mental health do not appear sufficient, it is well to recall that more state money is being devoted to these purposes than ever before in our state's history. Yet, Illinois remains a low tax state.

PUBLIC SCHOOLS will receive \$111 million dollars more during the next 2 years than during the last two record years. Mental health institutions will have their funds raised by almost \$40 million.

But the governor does not content himself with requests for money. He has outlined, also where the money is to come from. First, he recommends that the loopholes should be plugged in the state "sales tax" which should bring in an added \$10 million in the next two years. In addition, he has called for a one-half cent raise in the state sales tax and for increased taxes on cigarettes and liquor. And, there you have it!

THE BIG JOB OF running our state is as simple as running a home, if the "boss" has the wisdom to recognize the necessities of the household and the courage to provide a way to pay for them.

There has been very little criticism about the expenditures in the governor's budget. Still, there are plenty of complaints about the plans to secure the necessary revenue. Most of the complaints are partisan political attacks which will be withdrawn when the roll is called. Sure, it would be just wonderful to "soak" the great, rich corporations with some new and untried "income" tax (to be passed on to you and me.) This makes impressive oratorical material. But, does it produce the money to pay the bills? That is what a housewife would ask. And that is what we may ask ourselves.

CORPORATION OR, for that matter, individual state income taxes are not yet for Illinois. Their validity, indeed, the constitutionality of such taxes, has not yet been determined. If the opponents of Governor Stratton wish to add such an unpopular and untried tax burden, let them assume the responsibility—in addition to the "tried and tested" plans of the governor—to finance the needs of our state.

Let them make such measures effective a year hence—if they will—so that the Supreme Court may have a chance to pass upon any such measure before we are asked to rely upon it for children's education and the care and welfare of mentally ill patients.

Governor Stratton's last budget of 1957 produced a surplus of more than \$51 million—a phenomenal record. The present budget may not be as strong on the credit side, but—note this: before the governor's budget was presented to the 71st Illinois General Assembly, budget requests had been trimmed by the fantastic figure of more than \$312 million. That represents SOME trimming in behalf of the taxpayers!

It behooves partisans to lay aside their oratory—and taxpayers to give approval of a sound, balanced budget. Does any taxpayer imagine that a change of administration would "hold the line" on taxes, as Governor Stratton has done?

By State Rep. Paul Simon

In his budget message, Governor Stratton proposed a \$270 million bond issue for higher education and for welfare. It would be voted on at the general election in 1960.

There is no question about the needs for these two purposes, but there are several reasons to believe this is not the proper approach.

THE MOST OBVIOUS objection is that a similar proposal was turned down at the polls last year (for \$248 million) and there is no reason to believe this new and larger proposal would fare any better. The people did not vote against meeting these needs, but they did oppose—and I think properly—meeting them other than on a pay-as-you-go basis.

We cannot continue to postpone these needs "until the next bond issue passes." These needs are real and pressing and they should be met now.

Even should this proposal carry, it would not be put into effect for another two years. Then approximately five years would be used for actual construction. That means a seven-year period is involved—even if the bond issue carries.

IF THIS \$270 MILLION were divided into a seven-year period now and we tried the sure method of a pay-as-you-go basis, it would mean spending an additional \$38 million per year.

The advantages of doing this are several.

1. We start meeting the problem now instead of postponing it.
2. We would save roughly \$135 million in interest. In a bond issue this would be money down the drain. We have much better uses for \$135 million than subsidizing a few big banks and bonding houses.
3. The pay-as-you-go method is certain. The governor's proposal was turned down in 1958 and it may be turned down in 1960.

4. The bond issue is to be backed by a state real estate tax which will be levied if necessary. Property taxes are already too high and the possibility of further increases of taxation on property is not one which will please the public.
5. Once you start financing needed state projects by bonds, you start a snowball that will be extremely difficult to stop. It would take real courage for a future governor to call a halt to this type of thing. Once it starts, chances are excellent that each succeeding governor will follow the same pattern and each year the state will be paying more and more money for interest instead of spending its money on buildings and needed services.

THE BIG QUESTION in all of the above is: Can \$38 million come out of current state revenue? First of all, if a slight tax increase of some kind would be necessary to meet this on a sound basis, I would favor it.

But I have spent considerable time during the past several weeks going over the costs of our state government and I am convinced that an additional \$38 million per year can be saved from our present state budget of approximately two and one-half billion dollars without great difficulty.

I THINK ANYONE—Democrat or Republican—who spends some time studying the expenditures of our state government would have to come to the same conclusion.

I hope the ranks of those will grow who want to meet the costs of government now, rather than to postpone and enlarge our difficulties.

DEAR EDITOR Your Letters

Letters on your opinions are welcomed to this space each week. Equal weight is given on this page to your ideas and the paper's ideas on subject matter. Letters must be signed with complete names and addresses but will be withheld upon request. No letter should exceed 300 words.

School Board, CAC Members Endorse HS Building Plan

To all parents and citizens of Antioch High School District No. 117: After months of study of all phases of your High School, such as finances, curriculum, and student enrollments in the grade schools, and upon recommendations submitted by the Citizens' Advisory Committee which is comprised of more than 40 of your neighbors and friends, and the Department of Public Instruction of the State of Illinois, the Board of Education feels that the most economical and efficient plan for the long pull in our District would be to erect a new easily expandable Senior High School in a location close to the center of the student population, with the present building serving as an underclass center.

WE MEMBERS of the Citizens' Advisory Council and co-workers with the Council members, have analyzed the proposed high school building program and believe that it is the best answer to our problem. We further believe that without additional facilities immediately, we will seriously jeopardize the educational opportunities for our children. We strongly endorse this program and urge your support at the polls on May 9.

Elizabeth Storch, Clarence B. Olson, Ruby Alm, Florence Revell, Louis E. Tanner, Ethel V. Elsey, Margaret A. Geiger, Edith Wollpert, Norma R. Larson,

Eleanor Apostolou, Doris Blumen-schein, Clark R. Wetterberg, George DeYoung, John Thain, Alice B. Anderson, Isabelle Hribar, Lester M. Hribar, Gertrude Good,

O. W. Turner, Freda E. Turner, Irene Gable, Una Fox, Dorothy Deiderian, Helen Ream, Joan Truelsen, R. C. Truelsen, Emmet W. King, Lewis Rogers,

Dr. Richard Ripley, Robert McLelland, Helen N. Kopriva, Lillian Ptack, George Ptack, W. Bromstad, Elmer Eberman, Bill Anderson, Sven Osterlund, Bert Hooper,

Clarence Jarvis, Howard Bonner, Robert Duha, Mr. and Mrs. Elroy Anderson, Lucille Kuehnenmeister, and Maynard Schneider.

IN 1970, based on projected enrollment studies, we will have 2,000 plus students in our High School, and space on the present High School site is not sufficient for continued growth of building and associated areas requisite for educating this number.

For these reasons and others, we unanimously and urgently recommend that you vote "YES" Saturday, May 9th, on the proposal to purchase 50½ acres at the southeast corner of Deep Lake Road and Loon Lake Road and to erect thereon a new Senior High School.

Sweepstakes winners: Robert Clark, \$15; Sam Loblillo, \$10; Dominic Guido, \$8.
High series final night, Robert Clark, 561.
High game: Bud Barnes, 222.
Final Individual Achievements:
High series, Bob Schartz, 670.
High individual game, John Selzer, 256.
High individual average, Ferris Scharton, 181.

The teams' annual banquet will be held at Smart's Country House Saturday, May 9. Officers will be elected for the year 1959-60.

Mr. and Mrs. Royce Johnson and sons, Chicago, were weekend visitors in the Frank Simicek home.

Mr. and Mrs. L. Svoboda were guests Saturday in the J. Selzer home.

Toni Bechtol was a guest of honor Friday, April 24, at a birthday party. Those helping to celebrate her fourth birthday were Tommy and Marry Schultz, Jolie and Jeff Meier, Pat and Cindy McSorley, Annette Baker, Lynne Harris, and Carolyn Wacaser. Ice cream and cookies, along with the birthday cake were the center of attraction. Week-end visitors in the Hubert Bechtol home were her mother, Mrs. Ruby Holder, Miss Carol Holder, Miss Pat Holder and Mr. Jim Wickman, Granite City, Ill.

Happy Birthday to Karen and Sharon Shirk, on May 12th.

Vacationing In Healthful Surroundings

HEALTHFUL VACATIONING—Is found in Ontario, Canada. Here at one of the many summer resorts guests are relaxing amid pine-scented, and bay-fewer relieving surroundings of shuffle board. Most of Ontario's vacationland areas provide a rest for good health. In the Timoged area, bay-fewer relievers in August find nearly complete relief. A land of summer sun drenched lakes and rivers, Ontario's vacationlands are world famous.

Topics for Today's Women

Sandra Keulman Is Married To John Hingst, To Live At Macomb

Making their home at Macomb are the new Mr. and Mrs. John W. Hingst who were married April 18 in St. Ignatius' Church in Antioch. The bride is the former Sandra Louise Keulman, daughter of Mr. and Mrs. George Keulman of Lake Marie, Antioch. Her husband is the son of Mr. and Mrs. L. B. Hingst, 34 W. Hawthorne, Round Lake. The bridegroom is a sophomore of Western Illinois State College at Macomb, where he is a member of Kappa Sigma Kappa fraternity.

The bride was given in marriage by her father as the Rev. Edmond Hood performed the double ring ceremony.

A white, long-sleeved lace bodice gown with scalloped neckline and peau de soi satin, tiered, floor length skirt was chosen by the bride. The dress, complete with finger-tip illusion veil, caught on a pearl leaf crown was hand made by her aunt, Mrs. Louise Fernandez. She carried a cascade of white orchids and stesister, Karen.

Maid of honor was a sister, Karen Keulman and Mrs. Ronnie Walker, Sandra Hjortland, a cousin, Bobbie Nelson and Merry Keulman, another cousin, attended Miss Keulman.

The bridesmaids wore aqua silk organza ballerina length gowns with bouffant skirts and sabrina neckline caught at the shoulder with bows. They carried yellow feathered carnation flowers.

Junior bridesmaid was Kathleen Keulman, her 8-year-old sister, who wore matching bridesmaid dress and a miniature bouquet.

Attending the bridegroom were Ken Cameron, a fraternity brother; and Richard Lambert, Harry Lemm,

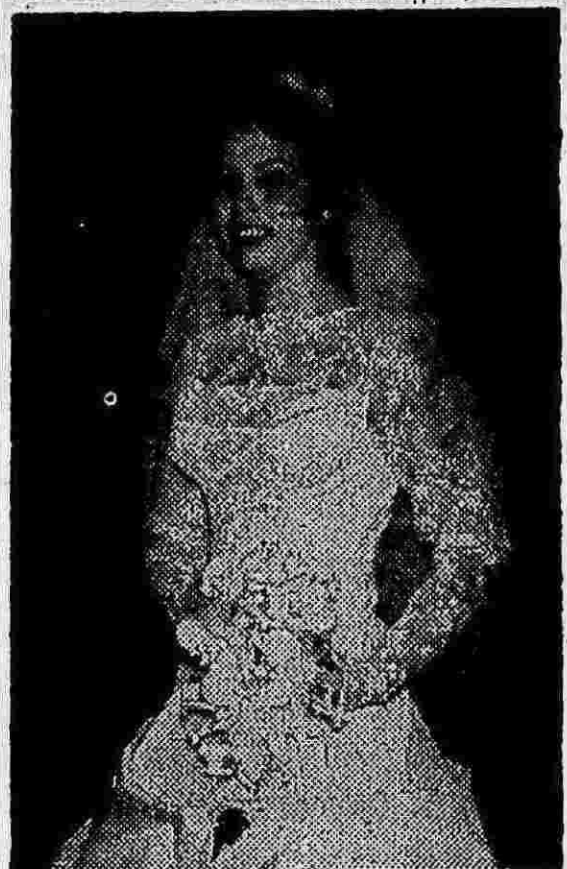

Tom Arneson and Jay Hingst, a brother of the groom.

A reception for 300 persons was held following the wedding at the VFW Hall at Lake Villa. Host and hostess were the bride's parents with assistance from the Ladies Auxiliary of St. Ignatius' Episcopal Church.

The wedding trip was to Wisconsin Dells for a week.

The bride is a graduate of Antioch High School and the bridegroom graduated from Grant High School.

While Mr. Hingst is completing his education, the couple will be at home at 343 S. Campbell, Macomb.

Mrs. John W. Hingst

Local Miss On TV Show Sat.

An Antioch lass has her big chance to win a modeling school scholarship on Saturday as she appears with six other Chicagoland girls on the Jim Lounsbury Record Hop TV program at 3:30 p.m.

She is Susan Owens, 15, of 275 North Ave. She is an honor student in the junior class at Antioch High School.

The young miss was chosen for the program from a group of nine finalists after the results of an interview. The prize for the winner Saturday is a scholarship to the Patricia Vance Modeling School and a chance to compete in the April Showers Beauty Contest.

Susan Owens

WCS Rummage, Bake Sale Friday

WCS Rummage and Bake Sale will be held on Friday from 9 a.m. to 5 p.m. There will be lunch available for those who want a snack or a cup of coffee while browsing around.

Mrs. John Quinn, general chairman, asks that rummage be left at Wesley Hall and Mrs. William Frey, chairman of the bake sale, asks that bakery goods be brought on Friday as early as possible.

A CORSAGE FOR the new president of the Antioch Woman's Club is pinned on by another newly elected officer after their installation Monday at the last meeting of the club for the season. Seated are (from left) Mrs. Irving Elms, vice president; Mrs. William Brook, president; Mrs. Clarence Kufalk, treasurer. Watching in the back row are (from left) Mrs. Norman Jedele, recording secretary; Mrs. Ted Larson, program chairman and Mrs. Fred May, corresponding secretary.

Beef Dinner For Millburn Ladies Aid On Thursday

By Mrs. Frank Edwards

A cafeteria beef dinner will be served in the church dining room Thursday, May 7, at noon. The dinner will be served by the members of the Ladies' Aid, Mrs. Thomas Harness, chairman. The business meeting of the Aid will be held in the church parlors at 1:30 p.m. Mrs. Frank Edwards will be in charge of devotions and Mrs. Carl Anderson, the program.

Rev. and Mrs. L. H. Messersmith and Mrs. Carl Anderson attended the dedication and installation services at the Fox Lake Community Church at Fox Lake Sunday afternoon.

About 80 ladies attended the Lake County meeting of the Congregational Christian Women's Fellowship groups held at Millburn church Wednesday, April 29.

The Millburn Order of Eastern Star will serve a chicken dinner at the Masonic Temple Saturday, May 9. Serving will be from 5 p.m. to 8 p.m.

Herbert Graham and sons, Clifford and Gary were weekend visitors with relatives at Lampson, Wis.

Mrs. Harley Clark and sons, John and Glen were Sunday dinner guests at the home of Mr. and Mrs. James Bonner at Kansasville, Wis.

Mrs. Frank Edwards spent Thursday at the John Edwards home in Libertyville.

Mr. and Mrs. Lester Zitkus are the parents of a son born Monday, April 27 at Victory Memorial hospital.

Mrs. Herbert Graham and daughters, Caroline, Debby and Gail, and Mrs. Larry Bascombe of Zion spent Saturday with relatives at Milton Junction, Wis.

Garrett Trout is a surgical patient in St. Therese Hospital, Waukegan.

Mr. and Mrs. Herbert Prange and daughter, Sharon, were Sunday afternoon and evening guests of Mr. and Mrs. Blanchard Weaver at Winthrop Harbor.

Mr. and Mrs. Herbert Prange and daughter, Sharon, spent Saturday

A&P Reports \$5 Billion Sales In '58

Sales of The Great Atlantic & Pacific Tea Company for the 53-week fiscal year ended last February 28 amounted to \$5,094,741,391, the company told stockholders in an annual report mailed today. Sales for the 52-week fiscal year of 1957 were \$4,769,249,488.

Consolidated net earnings for 1958 amounted to \$53,905,170, after taxes, compared with \$50,068,686 for

afternoon and evening at the Bernard Prange home in Lake Forest.

The Study Group will meet Thursday morning, May 14 at 9 at the home of Mrs. Lyman Thain.

Mrs. Charles Lucas returned home Monday from Victory Memorial hospital.

1957. The rate of net profit for both years approximated 1.06 cents on each sales dollar.

IN COMMENTING ON the company's 100th birthday anniversary, being celebrated throughout 1959, Ralph W. Burger, president and board chairman, reminded stockholders of the sound basis on which A & P has been operated during the past century and told them that the future outlook for business is promising.

Engagement Announced

Judith Horton

Mr. and Mrs. William Horton, Jr. of Antioch announce the engagement of their daughter, Judith Horton, to Mr. A. Daniel Oederkirk, son of Mr. and Mrs. A. D. Oederkirk of DeKalb, Ill.

No wedding date has been set.

'Have Cards, Will Travel Club' Travels

Mr. and Mrs. Fred Thies, Jr., formerly of Channel Lake, entertained four members of the "Have Cards-Will Travel Club" at their home in Overland, Mo., last weekend.

The members of the club at Channel Lake who journeyed by train for the visit were Mrs. Fred Thies, Sr., Mrs. Ray Van Patten, Mrs. Hugo Swanson and Mrs. Preston J. Reckers, Sr.

Diane Newby, Eugene Nemec Wed In Saturday Afternoon Services

Diane E. Newby of Round Lake became the bride of Eugene E. Nemec of Antioch in an afternoon wedding April 4 in the United Protestant Church at Grayslake.

The bride, a daughter of Mrs. Estelle Newby, 1430 East End Ave., Round Lake, was given in marriage by her brother as the Rev. Stephen Liddicoat pronounced the vows in the double ring rites. The bridegroom is a son of Mr. and Mrs. Edward Nemec, Rt. 1, Antioch.

The new Mrs. Nemec chose a re-embroidered lace wedding gown. Her sculptured bodice fashioned a batteau neckline, short sleeves, with matching gauntlets. Tiers of nylon tulle ruffles formed her bouffant overskirt that fell into her chapel skirt that was topped with a lace length train. A matching jeweled crown trimmed with sequins and pearls held her silk illusion finger-veil.

Attending the bride as maid of honor was Shirley Holwedel and Nancy Nemec was bridesmaid. They both wore cocktail length embroidered sheer prints, their shirred bodices fashioned portrait necklines. Pick-up skirts detailed their princess silhouette gowns. Matching hairbraid headpieces trimmed with pearls, held shoulder veils.

The new bride carried a bouquet of white carnations with light pink rose centers.

Serving the bridegroom was Rudy Mazanec as best man and Robert Vagil as usher. Wally Weir provided special music for the ceremony.

A reception at Smart's Country House in Antioch followed the wedding and the couple is now at home at 25 Center St., Wooster Lake. The honeymoon trip was to Biloxi, Miss.

Mr. and Mrs. Eugene F. Nemec

ANTIOCH NEWS

NAME THE FAWN CONTEST

Rules & Regulations

1. The Name the Fawn Contest is conducted by this newspaper in cooperation with Deer Haven, Fox Lake, Ill., and is open to any child up to and including the age of 16 years.
2. The Contest consists simply of submitting a proposed name for the fawn which is to be identified with this newspaper at Deer Haven. Contestants may enter as many names as they wish, but each name must be submitted separately on the official entry blank appearing in this newspaper or a reasonable facsimile thereof.
3. Winners will be determined solely on the basis of the most appropriate, unusual and novel names submitted.
4. In the event two or more persons submit identical names, the entry bearing the earliest postmark will be given consideration in the judging.
5. In case of ties, duplicate prizes will be awarded.
6. Names may contain more than one word, but not more than four words. If the name of this newspaper is included as part of the submitted name, it shall not be counted as one or more of the four word limit.
7. Decisions of the judges shall be final and all entries become the property of Deer Haven.
8. PRIZES: 1st: a Bulova wristwatch from L. R. Sohn & Co., wholesale jeweler, 5 E. Wabash, Chicago, engraved with name of winner, and a season pass admitting winner and family to Deer Haven throughout 1959. 2nd-14th: Season pass admitting winner and family to Deer Haven throughout 1959 and good for free rides on the Deer Haven Hiawatha Steamliner train. 15th-16th: Pass admitting winner and family to Deer Haven on any day of their choice plus a free ride on the Steamliner. 17th-16th: Pass admitting winner and family to Deer Haven on any day of their choice.
9. Names of winners will be announced in this newspaper as soon as judging is completed following close of the contest. Top prize winners will be presented with their awards at Deer Haven and will be guests of this newspaper and Deer Haven on that day.
10. To be eligible for prizes, entries must be in this office or postmarked no later than midnight.

RINGA FUNERAL HOME
Lake Villa, Illinois

HAPPY RECIPIERS OF low priced merchandise in the "Number Hunt" promotion of the Chamber of Commerce last week are Mr. and Mrs. Jack Filarski of Antioch who found their numbers posted in the State Bank. They receive a one year certificate of deposit from Preston Rockers, Jr., teller at the bank.

'Number Hunt' Success Says C of C, To Repeat

More than 2,000 persons enthusiastically hunted for their numbers in Antioch stores last Thursday to make the "Number Hunt" a success.

Not too many sales were made

that day but merchant members of the Antioch Chamber of Commerce greeted many new faces in their stores and that was the purpose of the day.

THE PROMOTION was reviewed by the Chamber at its meeting Monday night and a unanimous vote of members attending revealed that the event will be worked again in the fall. This will give areas not covered in the April event a chance to hunt numbers for low priced merchandise in the fall.

The rest of the meeting Monday was devoted to showing of a color film of the cruise of an outboard boat across the Atlantic.

Powered by two Johnson engines, the crossing took 14 days, explained William Anderson. Outside of 72 hours in which the cruiser had to be taken aboard the escort ship because of weather, the boat Explorer made the trip under its own power.

New, Larger Phone Book Being Mailed

The new Antioch telephone directory will be delivered to telephone users in Antioch, Fox Lake, Grayslake, Lake Villa and Lindenhurst areas this week, said telephone manager R. N. Hawkinson.

Containing telephone numbers for about 13,500 phone users in those areas, the 330 page directory will be mailed to the homes and offices of phone users. It is 14 pages larger than the 1958 directory.

"OUR RECENT service improvement programs in these areas made it necessary for us to change about 3,000 telephone numbers since the last directory," Hawkinson said. "Because of this, we urge phone users to look up the telephone numbers in the new directory before calling. It will save them time in reaching the person they want to call."

Hawkinson said that about 800 phone numbers were changed in the Antioch and North Antioch area when the urban service boundaries were extended to provide urban type telephone service for customers who formerly had rural type service. Three other similar service improvement projects have been carried

out since last summer.

In the Fox Lake, Ingleside and Spring Grove area it was necessary to change telephone numbers of about 600 phone users in order to bring urban service to the area. In bringing the improvement program to Grayslake and Wildwood it was necessary to change another 600 numbers.

ONE OF THE largest number changes in the area took place in Lake Villa, Lindenhurst and Venetian Village. In order to provide urban service to surrounding areas there it was necessary to change about 1,100 phone numbers.

"We've been trying to keep up with the growth in these areas," Hawkinson said, "but sometimes growth means change. We realize that changing telephone numbers is an inconvenience and we don't do it unless we have to. But in the long run it means better telephone service for all customers in the area."

May 9 and extending through May 17, season family passes and individual passes will be offered at a discount.

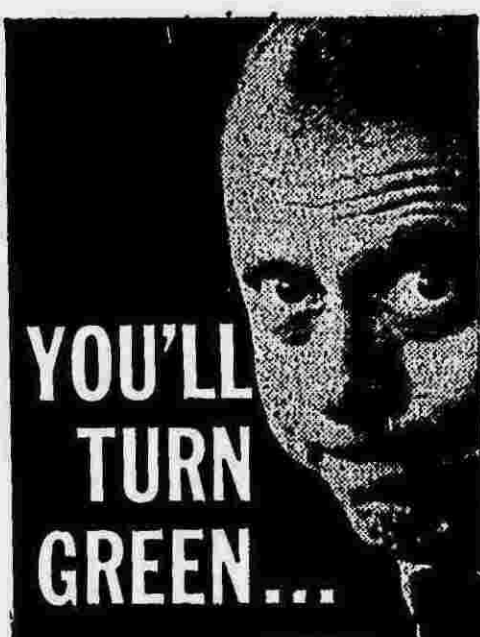

The public will be able to buy a family pass for \$17.95 rather than the \$20 normally charged. Individual passes will go for \$9.

The Lions members have been separated into groups and will call house to house during next week in an effort to stimulate interest and increase their season pass sales, Patrovsky says.

KEN SMOUSE WILL be manager of the pool again this year and reports that the life guards have been contacted and everything is almost ready. Instructors this year will be primarily adults of college age or over, Smouse says.

Parents desiring to have their children take swimming lessons must register them at the pool from June 3 through June 6. Late registrations will be taken with good reason, Smouse said.

As was the case last year, two sessions will be run with classes in the first session starting June 8. Smouse said a list of the classes to be offered will be released by next week, giving the days of the week and the times.

HORSEPOWER
HORSE SENSE

by DUDLEY WILKENS
There's something about the way a woman goes at cleaning a house—scrubbing and polishing in the most unlikely places—that unnerves most males.

But, you know, they're right! Dirt does collect in unlikely places, even though everything seems shiny and clean on the surface.

Under the hood of your automobile, for example. I was reminded the other day, by Carter Consumer Service, that a winter's driving can leave enough dirt deposits in an automobile engine to do real harm. The most diamond-hard of automobile parts can be worn down by abrasive dirt particles in far less time than you think.

The danger points are fuel lines, fuel filters, carburetors, brake and wheel bearings, transmission units—all these and more should be checked for damaging sand and dirt.

But they should be checked by experts. That's why I took my car to a qualified service mechanic. And I suggest you do the same. Just as your wife knows what she's doing when she cleans a house, a qualified service mechanic knows what he's doing when he "spring cleans" your automobile. A good inspection now is good insurance for safe, comfortable driving during the months ahead.

But ye, brethren, be not weary in well doing.—(Thessalonians 3, 13.)

Why are so many of us these days addicted to pills to make us sleep, to give us needed energy, to allay our nervousness and tension? Let us try stopping at least once a day, in the headlong rush, to help someone in need, unselfishly to lighten another's load—and in well doing, find peace.

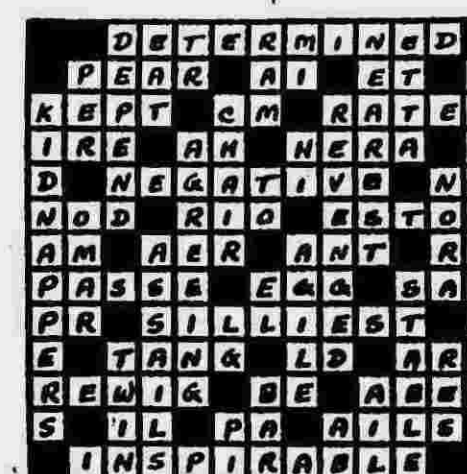

The Antioch News and Lakes Theatre invite Mr. E. W. Kufalk, Rt. 2, Box 457, Antioch, and one to attend Sunday, Monday, or Tuesday's (May 10, 11, or 12) show at the Lakes Theatre.

In Memoriam

Otto C Luedtke—In remembrance of our beloved husband and father, who passed away two years ago, May 9, 1957.

News of Lakesports

Begin Registration for Babe Ruth Baseball; Two Teams from Antioch

The Moose Lodge and the Vana Beverage Co. will again sponsor Antioch teams in the Chain-O'-Lakes Babe Ruth League. The league will contain the same teams as last year: two each from the following communities: Antioch, Fox Lake, Mundelein, and Wauconda. The eight team league will open the season on June 10 and will run through July 29.

Babe Ruth baseball is a program for 13, 14 and 15-year-old boys on the standard diamond. Babe Ruth League, Inc. is a member of the American Association of Health, Physical Education and Recreation, the National Committee for Amateur Baseball, and the National Recreation Assn. It is a non-profit organization and has been in operation since 1952.

MEMBERS OF LAST year's teams and any boy between 13-15 in the Antioch area interested in playing summer baseball are invited to register. Try-outs and registration will be held at the Antioch High School field on Wednesday and Thursday, May 13 and 14, at 6:30 p.m. In order to be eligible a boy must have been born between Sept. 1, 1943 and August 31, 1946. Boys are reminded to locate their birth certificates and to bring \$1 for insurance coverage.

The Antioch teams are in need of more adult help, says Ward Lear, team manager. This is only the second year of the program and it is hoped that interest will grow, he says. There is great need for additional coaches, grounds help, fund raising committee members, transportation, and people with sound ideas for improving the program. Any parent or adult interested in helping with this teen-age program should report to the registrations or call Bill Lang at Antioch 1287.

Pitch-Poor Sequoits Go From Champs to Chumps

Antioch's pitch-poor Sequoits gave a lesson in going from champs to chumps in three days last week.

They warmed up to the game of baseball in a single run losing effort to high-flying Grant, then came from behind like champions to beat Warren the next day. But the victory was short-lived as the team looked like chumps in losing to Ela-Vernon 21-3 in its third game last week.

A WEAKNESS on the mound is the reason why the baseball fortunes of Coach Larry Leon's charges have been slipping. Only three-deep with hurlers, all with sore arms, the team can not play on a day-to-day schedule and hope to win, Leon admits.

Mainstay of the staff, lefty Don Wiegell hurled 10 innings in the three days last week and came up with the Warren win only by grimly holding on for the last two innings.

In the Grant game, a single with two out off reliever Sig Nielsen was the measure of the 4-3 Antioch loss. Wiegell was lifted to the top of the seventh for a pinch hitter as the Sequoits were tying the score at 3-3 with two runs off Paul Lewis, ace of the Grant staff.

THE SAME LAST minute work of Antioch bats worked to the Sequoits' advantage in the Warren win as the Indians came up with two scores after two were out in the last of the seventh. Chuck Schuth smacked a single to bring Chip Eberman across with the winning tally after the outfielder had tied the game with a single, moments before.

It was a different story in the Friday contest with Ela-Vernon as nobody could do a thing against the Bears' second line flinger. However, Ela scored in every inning off Jerry Dahlman, third baseman and sometimes pitcher, and Wiegell and Nielsen. The game was called at the end of the fifth inning when Antioch had seen enough. Ela batted .600 as a team and got 17 earned runs.

Local Bowler On TV Sat.

The title of Meister Brau Bowler of the Week goes to Harold Cardiff of Antioch this week for his 280 game rolled on April 23. He will appear on television Saturday night at 10:30 on channel 5.

BOWLING IN THE Thursday Night Businessmen's League at the Antioch Bowl, Cardiff rolled 128 pins over his average. He had a series of 568 for the evening.

A telegram from the sponsoring Meister Brau Brewers notified Cardiff of his selection. He will get a pen and pencil set during the telecast from the Faetz-Niesen Bowling Alley in Chicago.

Sequoits Take 2nd In County Track Meet

Two first places by two of the stars of the Antioch track squad gave the Sequoits second place in the class B section of the Lake County Track Meet Tuesday.

Chris Davis hurled the discus 143 feet for his first and sprinter Bill Dressel came home first in the mile in 4:39. The team picked up 10 points to Lake Forest's 14. Round Lake was third.

In the class A division of larger schools, North Chicago was first and Waukegan second.

SENATORIAL INTELLIGENCE

"In the new Senate office building there's a locked door with a sign reading 'Don't Enter Unless You Have a Key.'—Harrisburg Daily Register.

Grade School Track Event Shows Stars

Though complete results of the Grade School Track meet held last Saturday here will not be tabulated until next week, Coach Robert Walther noted that again it appeared Allendale School for Boys had taken the meet.

Some outstanding individual records also were noted. Walther said as he tabbed several youngsters as stars for the future.

ONE OF THE all-around trackmen he saw was Charles Carey of Antioch Grade School who placed in several track and field events. He pole vaulted 5 feet 6 inches, then came home in the 350 dash in 53.2 seconds in a tie with Ernest Franks, also of Antioch.

Another of the outstanding stars was seventh grader G. Gates of Allendale who took part in almost every running event. His 12.4 seconds was fastest of the day for the 100 yard dash.

OPINION MAKERS

"Our opinion of people depends less upon what we see in them than upon what they make us see in ourselves."—Onarga Leader-Review.

ENDING IN A DEAD heat for first in the 350-yard run were Charles Carey (right) and Ernest Franks, both of Antioch Grade School. Their time, 53.2 seconds, was good enough for first place in the Grade School Track Meet held here last week. Both are seventh graders.

Salem Hosts Conference Track Stars In Night Meet Wednesday

The first night track meet in the history of Salem Central High School will be next Wednesday night as the Falcons host six other schools in the Southeastern Conference track meet.

Some of the top track and field men will participate in the event including John Durlin of the Racine Co. Aggies; Louis Holland of Union Grove and Don Cepress of Pewaukee. Included in the list of stars who will perform will be the crack Salem 880 relay team of Rick Thomas, Jim Long, Cleo Varvil and Andy Agüero. The local squad broke the track record at Central this year.

The meet will start at 7 p.m. under the Salem lights says Dorm Grams, athletic director of the school.

Sending teams to the meet will be Racine Co. Aggies, Union Grove, Waterford, Big Foot, Pewaukee, Palmyra and Central. Grams is looking for stellar performances from Bill Beck of the Aggies who has cleared the high jump at 5 foot 10 inches. Bill Hoppe of Waterford and Nevin Farley of the Aggies also should be strong entrants in distance events, Grams said.

Sequoits Nip Salem, Elain Triangular

Sweeping three events and taking two of three places in four others gave Antioch's once-beaten track squad another victory last week in a triangular meet here with Salem Central and Ela-Vernon.

The final total was 78 1/6 for Antioch to Salem's 43. Ela got 28 5/6 points.

STAR OF THE Antioch effort was jumping-jack Dick Prange who soared to 10 feet, 8 inches to establish a new school record. It is the third time he has set a new mark this year.

Coach Bob Walther's Sequoits were missing the services of three front-line athletes but others came through to take the firsts the trio usually wins.

Salem, in placing second, swept the broad jump event and took only one other first for its 43 marks.

THE TEAM TOTALS:

100 Dash—Stillegas (EV) 10.8; Thomas (S) Agüero (S)
220—Thomas (S) 24.3; Stillegas (EV); Lang (S)
440—LaBue (EV) 55.5; Greene (A); Varvil (S)
880—Dressel (A) 2:10.5; Sershon (S); Terry (S)
Mile—Dressel (A) 4:55.6; Meier (S); Radihovic (A)
Low Hurdles—Truelson (A) 24.3; Burda (A); Rosquist (A)
High Hurdles—Prange and Alshouse (A) 17.8; Burda (A)
Broad Jump—Thomas (S) 19' 2"; Varvil (S); Lang (S)
Shot—Armstrong (EV) 39' 8"; Merriyman (A); Rosquist (A)
Discus—Rosquist (A) 110' 10"; Merriyman (A); Neu (S)
Pole Vault—Prange (A) 10' 8"; Alshouse (A); Pille (A)
High Jump—Prange, Alshouse (A), and Stillegas (EV), tie, 5'2"
880 Relay—Salem 1:39.8; Antioch, Ela-Vernon
Mile Relay—Antioch 4:07.1; Ela-Vernon; Salem

IN THE FROSH-SOPH events, Antioch again came through with a win 77 5/6 to Salem's 34 1/2 and Ela's 15 1/2.

Two Antioch records were broken in this meet also with George

Salem Gets By 'Team To Beat'

Salem's Falcons gave Hartland Arrowhead the first loss of the season Monday afternoon by a score of 3 to 1. Salem came through with 2 unearned runs on four errors by Hartland in the final innings to take the win.

Jim Westman, a sophomore for Salem, held the Arrowheads to four hits and aided his cause by some fine fielding plays off the mound. Striking out four, Westman went all the way for Salem to get credit for the win.

Salem scored three runs on five hits to Hartland's one run on four hits. This is the Falcons' fifth win with only one tie to mar the record. But now Salem has gotten past "the team to beat."

Bobbles Help RL To 6-5 Win Over Sequoits

Antioch's Sequoits gave away another game Tuesday to Round Lake as lefty Don Wiegell weakened in the seventh inning to force in the winning run on a walk. That made the final score 6 to 5 for the Panthers.

The loss kept Antioch in sixth place in the loop and it was Round Lake's first league win of the year.

THE GAME WAS accentuated by an obstinate umpire whose conduct was not all either coach liked. Coach Larry Leon filed a report on the umpire's attitude with the players and the fans, although Leon made it plain that the decisions the umpire rendered were sound.

Antioch gave the game away in the fifth when with a 5-1 lead, Wiegell fumbled a roller to the mound which would have been good for a double play and get the team out of the inning. Following the bobble, a triple and another error helped Round Lake to four runs and a tied ball game.

Drop 32 More Keglers In News' Elimination Event

The Antioch News Elimination Tournament at the Antioch Bowl rolled on this week with 32 names being dropped from the roster.

Only three high average bowlers are left in the tournament, Marv Shepard, Mike Badame and Don Shank, says Jack Sampayo, director of the tourney.

MARV SHEPARD has high game so far with a 257. Shepard as yet hasn't rolled a line under 200 in the tournament.

There will be 16 keglers elimin-

ated by Sunday, May 10. Interest and excitement is mounting with every round as the finals approach, says Sampayo.

The pairings for this week are: Marty Padjen vs. Don Richards; Jocko, Koppen vs. Bill Carney; Emil Wesa vs. Norman Edwards; Norm James vs. Kenny Nicpon; "Doc" Ripley vs. Robert Morton; Dick Seyfarth vs. Robert Steiskal; Jack Lawrence vs. Mike Badame; Don Wheeler vs. A. M. Stanich; Harold Peterson vs. Art Fortmann; Ed Sla-

vik vs. Joe Sterbenz, Sr.; Phil Vos vs. Ed Stanich; Russ Lasco vs. Marv Shepard; Don Shank vs. Charles Erback; Alfred Dettmering vs. Art Bywell; Hank Pape vs. Tom Atwood; and Bill Johnson vs. Lon Rausch.

This tournament will wind up the regular bowling season and according to Sampayo, co-owner of the local lanes, the sign ups for their summer leagues are beginning. Both men and women bowlers are needed to fill the leagues, said Sampayo.

6 Firsts Help
Salem Harriers
To 70-48 Victory

The Falcons of Salem Central came up with only six firsts but piled up enough points in second and third place finishes to beat St. Mary's of Burlington last week 70-48 in a track meet at the Salem field.

Except for Tom Krein, the score might have been even larger in favor of the Salems, but the flashy member of the Burlington squad took three of St. Mary's seven firsts. He paced the field in shot, discus and 120 high hurdles.

THE TEAM RESULTS:

Shot Put—Krien (SM) 38.8; Mealy (SM); Grumbeck (C)

Broad Jump—Varvil (C) 17' 2"; Thomas (C); Carver (C)

High Jump—Bell (SM) 4' 10"; Carver, Hofer, Gentz (C), tie

Discus — Krien (SM) 120' 9"; Schmidkond, Mealy (SM)

Pole Vault—Johnson (C) 9'; Wierzgac (C); Bush (C)

120 High Hurdles—Krien (SM) .18; Carver (C); Thomey (C)

Medley Relay—St. Mary's 4:16

100 Dash—Aguero (C) 10.5; Thomas (C); Bell (SM)

440—Rauen (SM) 57.8; Machmiller (SM); Varvil (C)

880—Clausen (SM) 2:27.2; Finney (SM); Roth (SM)

220—Thomas (C) 25.4; Long (C); Pechacheck (SM)

180 Low Hurdles—Bell (SM) 24.4; Altergott (C); Wierzgac (C)

1 Mile—Mentink (C) 5:23.1; Sturdy (SM); Meier (C)

880 Relay—Central 1:41.2 (Aguero, Long, Thomas).

The Antioch News and Antioch Theatre invite Oscar Herbst, Deep Lake Road, Lake Villa, and one to attend Sunday, Monday or Tuesday's (May 10, 11, or 12) show at the Antioch Theatre.

When thou prayest, enter into thy closet, and when thou hast shut the door, pray to thy Father which is in secret. —(St. Matthew 6:6).

Even in the busiest moments of our daily tasks, we can close our eyes and, in the closet of our soul, speak silently to our Father in a prayer of thanksgiving or in a plea for help and strength—for He is ever present, ever listening, ever merciful and just.

Falcons Pounce
On Aggies
For 16-2 Win

Salem's all-winning baseball team conquered another foe last week, pouncing on Racine County Aggies of Rochester for 16-2 victory. It brought the record to 5-0 for the season.

Though Dave Willems picked up his second victory of the campaign in allowing only five hits and two earned runs, Coach Bill Becker got a good look at a sophomore and a freshman on the mound. He liked what he saw.

SOPI JIM WESTMAN came on in the fourth inning to strike out five of the six who faced him in the fourth and fifth. He was replaced by freshman Jim Murrie who was just as good in striking out the side in the sixth.

REMEMBER TO DRIVE

Springtime driving, says the Chicago Motor Club, often can be such a pleasant experience that a driver could inadvertently overlook such dangers as increased traffic, broken pavement, and the tendency to drive just a little bit faster than the posted speed limits. Even on the nicest of days, it's the safe driver who remembers to use common sense and courtesy behind the wheel.

REDUCE SPEED

Pleasant spring weather means increased play activity in school zones. Motorists driving near schools or play grounds should be constantly alert for the child who may have forgotten his safety lessons. Always reduce your speed when driving in residential areas.

Bussie's, 855; Wilson Upholstering, 827; Garwood Cleaners, 823.High individual series:
Kaye Keulman, 575; Marge Anderson, 574; Norma Tiede, 564.High individual game:
Kaye Keulman, 234; Myrtle Sampayo, 233; Bee Soladay, 224.

The "Pinspotters" concluded their bowling season with a banquet at Marty's Club Villa, on Wednesday, April 29. A clock trophy was presented to Mabel Brogan, sponsor of Barnstable & Brogan. The girls on the winning team were Thelma Keulman, Sylvia Price, Marge Lefco, Tess Weber and Marge Anderson, each of whom received individual trophies, and arm patches symbolizing league champs of '58-59. Also small individual trophies were presented to 6 girls who had high games for the season: Kaye Keulman, 234; Myrtle Sampayo, 233; B. Soladay 224; Marge Anderson, 220; Curly Wertz, 220, and Jean Rockow, 219.

Kaye Keulman also received a pin awarded by the Waukegan Women's Bowling Assn. for high game of 234. After the wonderful food served by Marty, the girls enjoyed singing and dancing to organ music. A lovely Lowrey organ was installed with the compliments of Mr. McElroy of Zion and Elsie Hays. Bette Schneider and Jane Powell, along with Elsie Hays played many organ numbers. An enjoyable evening was had by all.

Women's Thursday Afternoon League, April 30
Fred Maier Service had high team series, with games of 626-562-533-1721 total.
High individual scorer was Jeanette Westhoff, with games of 137-133-207-477 total.
Mann's Certified beat the Advertiser all three games.
Kharmichael Vending beat Leo Johnson's 4th Lake Resort all three games.
Ben Franklin won two games from Kelly's Tavern.
Fred Maier Service won two games from Ted's Radio & T.V. Repair.MOUNT UP
The custom of mounting a horse from the left side probably started in the days when men wore long swords that hung from the left leg. It was easier to throw the right leg over the horse's back.Lady VFWers
From LV Get
100-Hour AwardsBy Mrs. Fred Bartlett
Lake Villa Correspondent

The VFW Auxiliary received an award for its members working 100 hours at Downey. It was presented at a dinner last Tuesday at the North Chicago High School. The following members also received 100 hours awards: Arlene Slazes, Ray Kasting, Doris Blumenschein, Dorothy Barnstable, Helen Keisler and Jeanette Keisler.

The VFW Auxiliary will sponsor a dance at Downey Tuesday, May 19. The bus will leave the VFW Home at 6:20.

Sandwiches and coffee will be served after the dance.

Sharon Slazes is still a patient at St. Therese hospital. She is feeling a little better.

Mr. and Mrs. Harvey Brooks are receiving congratulations on the arrival of twin grandsons, born Tuesday, April 28, to Mr. and Mrs. Robert Brooks of Buffalo Grove, Ill.

Mrs. Fred Troesch was honored at a luncheon in observance of her birthday Thursday at the home of Mrs. Vern Blust. The following were present: Mrs. John Perry, Mrs. Fred Hamlin, Mrs. William Walker, Sr., and Mrs. Fred Popp, Sr.

The next regular meeting of the Royal Neighbors of Cedar Lake Camp will be Tuesday, May 12, at 8 p. m., at the Village Hall. Hostesses will be Georgia Avery and Marie Hamlin.

Mrs. Fred Bartlett, Jr., and her daughter, Carla, were ill a few days last week.

Joel Armstrong of Stout College at Menomonee, Wis., spent the week end with his parents, Mr. and Mrs. Leonard Armstrong.

About 200 attended the May dance given by the VFW Post of Lake Villa. Ramona Sheehan was picked as their May queen. She received many gifts.

The dance committee was Leif Larson, Jack Mahoney, Clarence

Reidel, Ralph Nader and Clifford Bartlett.

The Auxiliary members who worked in the kitchen were Cecile Blumenschein, chairman, and Arlene Slazes. Also helping were Elta Selacero and Ollie Tweed.

Priscilla Ladewig was honored at a party in observance of her birthday Tuesday at the home of Mr. and Mrs. Kaurin Karollus on Rte. 21. A number of relatives and friends were present.

Mrs. Fred Bartlett, Sr., has again been appointed Salvation Army Doughnut Day chairman of Lake Villa.

Doughnut Day will be June 12 and any one wishing to donate a couple of hours will please contact Mrs. Bartlett at her home on Grand Ave. or call EL. 6-5372.

The Band Concert given by the Lake Villa Grade School band was well attended despite the heavy rain and thunderstorm.

The Ka-dette Drill team sponsored by the VFW participated in the VFW parade in Elgin Sunday,

as did a number of Auxiliary and Post members.

Mr. and Mrs. Victor Young of Fox Lake were visitors at the home of Mr. and Mrs. Clifford Gerber and Mrs. Tina Gerber.

HORSE'S GREAT GRANDAD

Eclipse, an English thoroughbred foaled in 1764, is the ancestor of almost all modern race horses, says The World Book Encyclopedia.

Power Boats to Start Churning Waters of Fox Lake on May 17

The green flag goes down May 17, accompanied by the roar of high powered engines and the cries of "there they go" as the Chain O' Lakes Boat Club begins another season of boat racing.

All the races this year will be held at the Waltonian Hotel on Fox Lake.

Need Scouters In Grass Lake To Keep Charter

"Parents of Grass Lake Cub Scouts and Boy Scouts, your help is needed urgently," says Harry Jesse, neighborhood commissioner.

He reported this week that committee members for both troop 80 and pack 80 are needed before the charter can be renewed. Also an institutional representative is needed from the sponsoring organization, the Grass Lake PTA.

SCOUTING HAS always been supported actively in the Grass Lake community in the past and now that the parents have been made aware of the need, we are sure they will want to cooperate, Jesse said.

Those who would like to participate should call M. Jesse, he said.

Frank Ambecher, commodore of the club this year, said the Coast Guard has restricted the races to Fox Lake.

The races will be sanctioned this year by the American Power Boat Assn. and at least four classes will be eligible for national points.

UNDER SANCTION by the A.P.B.A., the boats are not only eligible for national point ratings but also have the benefit of compensation insurance in case of injury while racing.

The class "E" runabout, almost forgotten these past few seasons, will get a shot in the arm as many boats from this area are expected to be ready by race time, Ambecher says.

ANOTHER CLASS that will be revived in this area is the 135 cubic inch hydroplane. According to Eddie Zender, former commodore of the club and racing enthusiast, the 135 is the most popular class nationally.

Coupled with the 135's, the slightly larger 280 cubic inch hydros also will be on hand to thrill the crowds.

The popular ski boats will see plenty of action, with more and faster boats coming along every season. In addition to these sanctioned classes there will be pleasure inboard and outboard races.

A TENTATIVE HOME schedule

has been set and the dates are May 17, June 7, July 12, Aug. 2, Sept. 13 and Oct. 4.

On Oct. 4 there will be two marathon races, one for inboards and one for outboards. The outboard marathon will run one hour.

The inboards will have a three hour marathon with the Helen Walker Memorial Trophy going to the winner at the end of the first hour.

The club hopes to have a trophy for the second hour leader also. Both marathons will be free-for-alls.

The Thoroughbred: He's Not So Smart — Or Isn't He?

If a thoroughbred had to depend on his brain instead of his brawn, he'd be a loser.

Not that a horse is stupid, but in a list of the 10 most intelligent animals, the horse scrapes bottom. Even the pig is more of an intellectual.

OF COURSE, the pig can't boast a pedigree that goes back to the princely steeds of Araby. According to the World Book Encyclopedia, all thoroughbreds can be traced directly to three Arabian stallions—the Darley Arabian, the Godolphin Barb and the Byerly Turk.

European horsemen crossed these fast, sturdy horses with their own breeds. The resulting thoroughbred is faster than his forebears . . . but he's also more of a weakling.

THIN-SKINNED and sensitive, the thoroughbred can't live off the land like the cow pony. And he can't carry the amount of weight in proportion to his height that other breeds carry.

But thanks to contests like the

Kentucky Derby and the Preakness, he is praised and petted, curried and coaxed. And in return for an occasional swing around a track, he can expect to retire when he is still in his prime.

In all fairness, however, the treatment isn't half so tender as that enjoyed by a horse of another era. Incitatus, owned by the Roman Emperor Caligula, lived in an ivory manger and drank wine from a golden pail.

About A.D. 40, the "mad emperor" made him a priest and a consul.

Question Series Asks About Site, Taxes, Enrollment Hike

Editor's Note: The following is the third in a series of questions and answers concerning the proposed building program for Antioch High School. These are questions that have been called to the attention of the Board of Education.

Q: Is Our School Adequate for the Present Enrollment?

A: No. Most facilities are inadequate for even today's enrollment, and many others cannot accommodate any more students. Among these are:

Library—Too small to meet even today's needs.

Business Education—Needs more specialized teaching areas.

Music—Needs more room even today, and needs facilities especially adapted to the teaching of the subject.

Locker and Shower Room—Overcrowded at the present time, and cannot handle any increase in enrollment.

Girls' P. E. Room—Quite crowded and cannot meet the instructional requirements as set forth by the state.

Heating—The heating plant is being used to capacity and cannot accommodate any additional facilities.

Homemaking and Industrial Arts—Crowded by even the present enrollment.

These items cannot be economically expanded, and the needs will become critical in many other departments as the enrollments rise. The Citizens' Advisory Council has unanimously recommended, and the Board of Education has unanimously endorsed, meeting these needs in the

way that will cost the taxpayers the least amount of money—construction of a second high school in a central location.

Q: What Qualities Made This Particular Site the Best Choice?

A: This site was selected by a committee from the Citizens' Advisory Council and the Board of Education because the site is close to the center of population of the district, because it is served by two excellent all-weather roads, and because the lay of the land is exceptionally well suited for school purposes. It was especially outstanding from a cost standpoint: no other site was available for less than \$1,000 per acre; this site costs us but \$400 an acre, and will cost little to develop.

Q: How Can the Annual Tax Raise Be Figured From Last Year's Taxes?

A: This computation will vary from one portion of the district to another. Although we all pay the same high school tax rate, other portions of our tax bill (paid to the county collector at Waukegan) will vary, because we are in different grade school districts, villages, etc. We might take residents of Lake Villa as a typical example. Their average annual tax rate increase due to this building program will be less than 5 per cent of their last year's payment to the county collector.

Tax Last Yr.	Tax Increase (on H.S. Issue Only)
\$ 50	\$ 2.45
100	4.90
200	9.80
300	14.70
500	24.50
1000	49.00

Set Westosha BPW Banquet For May 18

By Mrs. Herman Frank
Willmet Correspondent

Westosha B.P.W. banquet will be held May 18 at Lake Mary Manor, Twin Lakes. Gretchen Colnik of Milwaukee will be the speaker.

Mrs. Elsie Elverman, Fred Riemann, Mr. and Mrs. Gust Neuman returned home Monday from Flint, Mich., where they spent the week-end with Mr. and Mrs. Paul Jahns who celebrated their 45 wedding anniversary.

Mrs. Alfred Oetting, Mrs. Floyd Memler, Mrs. Walter Frank, Mrs. Alex Schubert, Mrs. Lloyd Stoken, Mrs. Clyde Cates, Mrs. Elmer Rasch and Mrs. Ervin Rasch enjoyed a dinner at Lake Lawn, Delavan, Wednesday evening.

Mr. and Mrs. Herman Kunz and son, Lily Lake, Ill., spent Sunday with Mr. and Mrs. Ben Kunz.

Mr. and Mrs. Frank Zarnstorff, Sr., spent Sunday with Mr. and Mrs. Clifford Schaal, Powers Lake. Mrs. Zarnstorff and Mrs. Schaal attended the Mother and Daughter banquet at the Slades Corners Lutheran church.

Virginia May, Madison, spent the week-end with Carol Oetting.

Mr. and Mrs. Joe Sutrick and Karen, Milwaukee, were Sunday dinner guests of Mr. and Mrs. Norman Rasch.

Mr. and Mrs. Norman Rasch attended Abbott's annual spring show at North Chicago Thursday evening.

Thirty relatives and friends attended a miscellaneous shower Sunday at the home of Mrs. Flavia Ehlert in honor of Jo-Ann Deegan who will be the bride of Frank Ehlert on May 30.

Mr. and Mrs. George Higgins spent Sunday afternoon with Mrs. Lizzie Benedict, Bristol.

Mrs. Charles Richards, Mrs. Joe Czebotar, Mrs. Marie Darby, Mrs. Don Schmalfeldt, Mr. and Mrs. Charles Clark and Nettie Gordon spent Thursday at the Albrecht-Schubert home.

Mr. and Mrs. Alfred Lemke and family, Glenview, Ill., Mr. Floyd Gyger, Jr., and family, Mrs. Robert St. John and family spent Thursday evening with Mr. and Mrs. Floyd Gyger, Sr.

Mr. and Mrs. John Gyger and family, Libertyville, Mr. and Mrs. Ray Panzer and family, Waukegan, and Sandra St. John were Sunday supper guests of Mr. and Mrs. Floyd Gyger, Sr.

Mr. and Mrs. Fred Wazelle, Pleasant Prairie, spent Sunday afternoon with Mr. and Mrs. Floyd Gyger, Sr. Mr. and Mrs. George Hildebrandt and son have moved to Milwaukee.

Salem Families Entertain During Week

By Mrs. Byron Patrick
Salem Correspondent

Mrs. Lester Dix and Mrs. Natalie Straupe spent Wednesday with Mrs. Henry Simes of Hebron.

Mrs. Byron Patrick called on her sister, Mrs. Stanley Stoken of Bassett on Wednesday afternoon.

Mr. and Mrs. Byron Patrick entertained at dinner on Thursday evening for Mr. and Mrs. Ray Patrick, Michael and Tommie of Kenosha and Mr. and Mrs. Robert Patrick, Daniel and Colleen, the occasion being Tommie Patrick's fourth birthday.

Mr. and Mrs. E. T. Manning and granddaughter, Cindy Manning, and Mrs. Herman Schultz have returned from Winter Gardens, Fla., where they have spent the winter.

Miss Joyce Dix and Mrs. Lester Dix drove to Green Bay on Friday, returning on Saturday with Judith Ann Dix, who will spend the month of May with her mother. Judith is a student at Methodist Hospital in Green Bay.

Mr. Imrie of Lake Mills spent several days the past week with his son, Robert Imrie.

Mrs. Cecil Elyca returned home from Kenosha Hospital on Thursday where she had been a patient.

Mr. and Mrs. E. H. Hartnell entertained at dinner on Sunday for Mr. and Mrs. Andrew Fencema of Kenosha, Mrs. Minor Hartnell, Henry Cook and William Cook, the occasion being Mrs. E. H. Hartnell's birthday.

Mr. and Mrs. Kenneth Brown and sons of Milwaukee spent the week-end with their mother, Mrs. Fred Stephens who has just returned from Florida, where she spent the winter.

Mr. and Mrs. Mutter of Milwaukee spent the week end with Mr. and Mrs. Robert Imrie.

Public Service Sparks Gains In 1958 Business

Public Service Co.'s northern division, which has its headquarters at Northbrook, last year established new records in volume of electricity sold and number of customers, Harold W. Otto, Division vice-president, said in a report of the division's 1958 activities.

Sales in 1958 reached a peak of 2,029,742,513 kilowatt-hours, an increase of 7.5 per cent over 1957. These sales were larger than those of many sizeable electric companies. For example, the total was more than the volume done by San Diego Gas and Electric Co.

"ALL THREE MAJOR classifications—residential, commercial and industrial—showed increases," Otto said.

"During 1958 the number of residential customers in Northern Division rose 5.9 per cent, increasing from 210,100 to 222,400. Average residential use increased by 108 kilowatt-hours to 3,839 kilowatt-hours."

"Northern Division at the end of 1958 had a total of approximately 242,700 customers of all classes compared with 229,300 a year earlier.

"Northern Illinois Division has approximately 1,000 employees carrying on the operating and service activities in its 1,100 square mile area which has a population of approximately 800,000.

Antioch Cadet Ends Pre-Flight Training

Naval Aviation Cadet Robert A. Mathews, son of Mr. and Mrs. Robert A. Mathews of Lake Boulevard, Antioch, graduated April 17 from the Navy's Pre-Flight School at the Naval Air Station, Pensacola, Fla.

The 16 weeks of training at Pre-Flight include aviation science, navigation, principles of flight, and other technical classes to prepare students for their future roles as naval aviators.

Graduates of this class are presently undergoing actual flight training at Saufley Field, also at Pensacola.

Trevor Couples Travel To Visit

By Mrs. Grace Miller
Trevor Correspondent

Mrs. Margaret Wilen and Mrs. Voegler of Camp Lake Oaks motored to Waterman, Ill., on Friday afternoon to attend a concert given by Robert Beland who is the band-director there.

Mr. and Mrs. Arthur May and daughter, Virginia, of Madison, Wis., spent the week-end with Mrs. May's parents, the Charles Oetting. Alfred Oetting and daughters, Carol and Linda, also Louis Oetting and family were callers at the parental home on Saturday night.

Mr. and Mrs. George Nelson were Sunday callers at the Arthur Johnson home at Bristol where they met Lewis Fowler.

Mrs. Grace Miller has returned from a ten-day visit with relatives in Madison, Wis.

Mrs. Eaton of Rock Lake, Miss Mary Atwell of Lake Villa, and Dr. and Mrs. Liesener of Chicago were Sunday visitors at the Nell Runyard home.

Mr. and Mrs. William F. Hanne-man of Elgin, Ill., called on Mrs. Annie Smith enroute from Burlington, on Saturday evening.

Mr. and Mrs. George Wilen spent Monday in Milwaukee.

IT'S TULIP TIME

VISITORS WELCOME

"Why should a slow-poke burn me up?"

When you're driving, your attitude can kill! When the stupidity or carelessness of other drivers makes you fume, watch yourself! If you let your anger take control of your car, you can literally kill or be killed yourself! Nearly 37,000 people died in traffic accidents last year. Many were victims of good drivers who for one fatal moment allowed their emotions to boil over. Check your boiling point and stay a safe driver.

Where traffic laws are strictly enforced, deaths go DOWN!

12 LV Boy Scouts Get Awards At Honor Court

Lake Villa Boy Scout troop 84 held a Court of Honor in the grade school gymnasium Thursday, April 30, with 12 boys receiving advancement awards or merit badges.

The meeting was opened with a flag presentation ceremony by the troop under the direction of the Senior Patrol Leader David Sherwood. After roll call by the troop scribe, Rolf Westberg, the Scoutmaster, Willard Schneider, awarded badges for advancement in rank.

TENDERFOOT BADGES went to Danny Botts and Walter Pleviak. Second class badges were awarded to Walter Pleviak, James Effinger, Robert Rolin, Douglas Hansen, Louis Megleo, Robert Palmer, and Ted Peterson. Receiving first class awards were Bruce Bragini, Robert Carlquist, and Roger Sherwood.

Delbert Sherwood, assistant scoutmaster, then awarded merit badges to Roger Sherwood, for stamp collecting; and Richard Prossie, for first aid and home repairs.

The Lindenhurst Men's Club sponsors Troop 84.

Selective Service Reminds of Registering

All young men are required by law to register with Selective Service within five days after reaching their 18th birthday. A youth failing to do so may be declared a delinquent and ordered for immediate induction into the army.

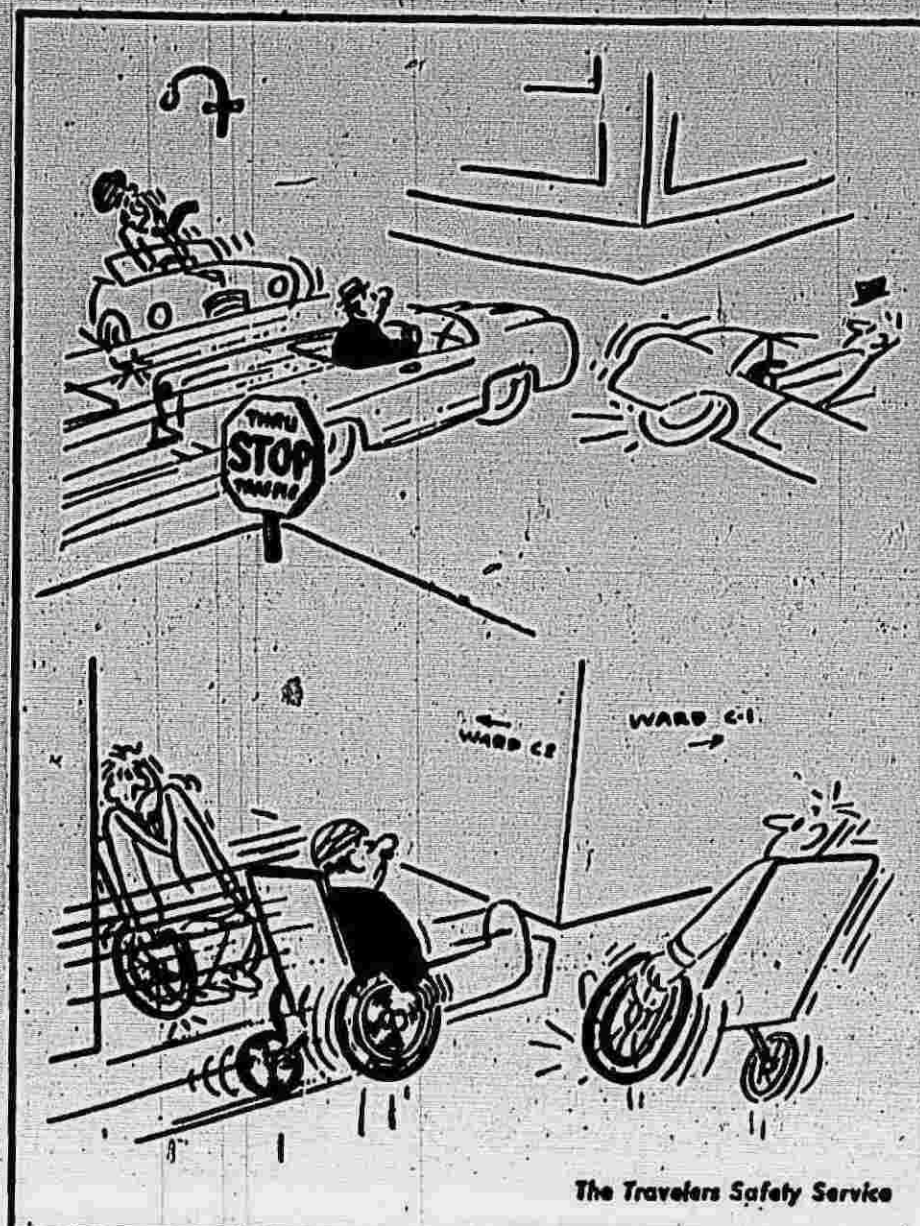

This warning was issued today by George Manz and H. D. Blackwell, chairmen of Lake County Local Boards Nos. 150-151.

Manz and Blackwell pointed out that the obligation to register applies not only to citizens of the United States but also to aliens, except a few exempt by law. Aliens not exempt must register within six months after entering the United States. Men discharged from the Armed Forces must register within 30 days after discharge unless they registered previously.

A man may register at any Selective Service local board, Manz and Blackwell said. The Lake County board is located at 220 N. Sheridan Rd., Waukegan. If away from home a man may register at the nearest local board anywhere in the United States.

The Road Toll

by Jerry Marcus

Disregarding the right-of-way increased the toll by 544,600.

Lindenhurst Revamps Village Committees

Committee appointments have been made in the reorganized Lindenhurst Village Board at a special meeting Monday night.

Three newly elected trustees were given the sewer and water, streets, and licenses and ordinance committee chairmanships.

MRS. GEORGIA MATTHIAS was named by Village President Robert Randall to the sewer and water committee; Alex Bartling will head the streets committee and Charles Pawlowski will handle the licenses and ordinances committee.

Craig Henderson will repeat as head of the finance committee with Ted Brendel moving over to take charge of police affairs. Paul Hunt takes over the buildings and grounds committee.

The committee appointments were approved unanimously after Pawlowski questioned the authority of the president to make the appointments. After a reading of the ordinance and an opinion by Ellis Fuqua, village attorney, a roll call showed no objections to the appointments.

G. Lk. Cubs Get Annual Inspection

Grass Lake Cub Scouts of Pack 80 met for their monthly Pack Night on Thursday, April 30, at the Grass Lake School.

Cubmaster Earl Beese led the boys in a game, "A Visit to the Farm," in keeping with the theme of the month. Then the Cubs lined up for the main event of this meeting, the annual inspection of uniforms, carried out by Harry Jesse, district commissioner for BSA, and Earl Beese, cubmaster.

THE FOLLOWING awards were given by the cubmaster:

Wolf Badge, Anthony Loma; Bear Badge, Mike Snyder and Robert Beese; Lion Badge, Robert Sedivic and Terry Drucker; Gold Arrow under Wolf, John Alhouse and George Sedivic; Silver Arrow under Wolf, James Nolan; Gold and Silver Arrow under Bear, Terry Drucker; Silver Arrow under Bear, Billy Ernsting; Service Stars, Brian Wells, Albert Babe, Robert Sedivic, Bruce Pierce; Den Chief's Cord, Tommy Anderson, Webelos, Jim Denner's Bars, Greg Mitchell and George Sedivic.

The group was entertained by a skit put on by Den 5, making use of a lighted screen and animal silhouettes to illustrate a story told by "Bozo, the Clown."

The program was closed by everyone standing and singing "Taps." Refreshments were served by the mothers of Den 5, Den Mother Natalie Witowski in charge.

Busy Belles 4-H See Sewing Demonstration

Busy Belles 4-H Club met at the home of Mrs. Glenn McNeil on Monday, April 27. Donna and Diane McIntosh gave a demonstration on how to make and put on a waist-band.

SLOW UP!

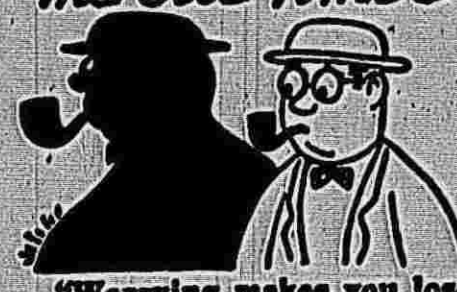

Motorists who speed into a gas station, a supermarket parking lot, or a private driveway are endangering adults and children alike, says the Chicago Motor Club. Maturity and common sense are of little advantage to pedestrians in such a situation.

God is our refuge and strength, a very present help in trouble.—(Psalm 46, 1.)

There are times when even the most aggressive, forceful, self-assured among us must know, in their secret hearts, that their human strength is not enough—that God alone can help them in their trouble. Those who humbly, truly, live within Him "will not fear, though the earth be removed."

Girl Scouts Outline Plans For Two Summer Camps

Mrs. Eugene Erickson of Round Lake, who for the past two years has been president of Lakeside Council Girl Scouts, was presented with the 'thanks' badge and Certificate of Appreciation at the Council and election of officers meeting held at the Lake Villa Grade School April 27.

The Girl Scout 'Thanks' badge may be presented by the local or national board to an adult for outstanding service beyond that required by the position held. Presentation was made by Mrs. Lester Hribar of Antioch, a member of the board.

NEWLY ELECTED officers for Lakeside Council are Mrs. W. F. Bruhn, president; Mrs. Frank Harast, recording secretary; Mrs. Regis Balkey, corresponding secretary; Mrs. Martin Vehlou, public relation; Mrs. Francis Illian, camp chairman; Mrs. Albert Evland, training chairman; Mrs. W. D. Clayborn, nominating committee president.

As this was the last council meeting of Lakeside Council to be held until September, many projects were discussed and plans made, especially in regards to both Day and Intermediate camping this summer.

Lakeside Council Girl Scouts who are working to obtain a campsite of their own, again this year will rent two camps permitting only a limited number of their over 1,400 girl scouts to taste of life in the open, and know how to live in the out-of-doors through adventures and experiences; helping to contribute to the development of initiative, self-reliance and resourcefulness of every Girl Scout camper.

Brownie Day Camp will be held June 8 through 12 from 9:30 to 3 p. m. at Lakewood Park, Hainesville Road, on the east shore of Round Lake. Buses will pick up Brownies in Antioch, Lake Villa, Fox Lake, Ingleside, Round Lake, Grayslake, Gages Lake, Wildwood, Grass Lake.

Intermediate Camp will be held again this year at the Y.M.C.A. Camp Hastings, near Lake Villa, June 21 through 27.

Camp registration forms are now available and may be obtained through Neighborhood chairmen.

Camp Counselors are needed—no experience needed, nor need they be registered. Training Leaders will assist. Persons who like and believe in girls can help by calling Mrs. Lloyd Cowell—Kimball 6-1087, Day Camp director, or Mrs. Francis Illian, Baldwin 3-1441, Intermediate camp director. Advanced training for leaders of Lakeside Council will be held May 6 from 10 a. m. to 2:30

ENTERTAINS BROWNIES

Miss Cornelia Roberts, dean of girls at the Grayslake High School entertained Ingleside Neighborhood Brownies and Girl Scouts at the Gavin School April 23. Miss Roberts spoke and showed colored slides about Scouting and her inspiring travels in Europe.

BROWNIES SEE PLAY

Fifty-seven Brownies and ten Girl Scout leaders of Lakeside Council—Troops 51, 60, 81, and 90 attended the Goodman Memorial Theatre April 25 to see "The Emperor's New Clothes."

MAKES MAY BASKETS

Nine Brownies and their leaders of Troop 94 visited Larsen's Florists in Waukegan. Larsen and his em-

ployees showed proper floral arrangement, plants in all stages of growth and the budding tree in the fish pond.

Emotionally Insecure Boss Can Disrupt Family Life

Tensions between employees and the boss can cause damaging emotional scars to individuals and their families, an authority declared Wednesday night at the North Shore Hospital lecture series.

Dr. Bertram Schaffner, a New York Psychoanalyst and consultant to the United Nations on Mental Health, stressed that a dominant yet prudent boss and stern but fair parents were a dual requirement for emotional health. His talk was eighth in a series of nine on "Emotional Forces in the Family."

BECAUSE THE family's basic security depends on continuity of employment and income, the relationship with one's boss is bound to be tremendously charged emotionally," Dr. Schaffner said, adding:

"The boss is the appointed authority figure in the employee's environment, the person under whose supervision he spends at least eight hours every day, the largest segment of his waking life.

"All early problems regarding a father or other authority, or achievement, competence and the like, are apt to be rekindled and manifest themselves in relationship to the personality of the boss—these may arise from the difficult behavior or personality problems of the boss."

Dr. Schaffner pointed out that whether the boss is a good or a poor leader (authority figure), he might set off a chain reaction of emotional stimuli in the employee, his family and associates by his "boss-isms". He explained:

"A GOOD AUTHORITY figure can recognize his own limitations without embarrassment, tolerate the inevitable frustrations of leadership, set sensible goals, and recognize the differences among his various employees. Through actions and influences (boss-isms) he will have a good effect on the self-confidence and emotional health of the employee.

"The poor authority (authoritarian personality) usually presents

himself to others as omnipotent and omniscient, demanding complete faith in himself, and unquestioning obedience. His underlying sense of weakness or inadequacy, the inner unsureness to which he is not reconciled, requires him to behave in this authoritarian manner.

"This latter type of boss rarely reveals his true feelings of unsureness to his subordinates, does not secure cooperation or sympathy of employees. Instead, subordinates are usually intolerant and rebellious. He usually cannot aid employees in solving their personal and emotional problems at work. He is usually so preoccupied with his own uncomfortable feelings that he is unaware of what goes on inside of others."

Dr. Schaffner made these added observations:

A man's self-esteem must be good if he is to remain mentally healthy. A boss can make or break this feeling of assurance and psychologically affect the employee's behavior towards his wife, children and friends.

The boss, a dynamic force within the family, even though technically outside its kinship structure, can be considered a part of the extended family group.

ATTITUDES LEARNED at home in relation to authority, expectations, work and satisfactions will be carried directly into future work situations with a future boss.

Many parents confusedly think that to give a child security means giving him everything he desires, keeping him "frustration-free." Actually this makes for a weak, insecure child unable to cope with life's reverses, denials, disappointments.

Both industry and the family are trending toward a return of the stricter authority head, the "tough boss" . . . The rebellion in the family against "spare the rod and spoil the child" needs modification. Today parents live "under the tyranny of their children." Both industry and the family require a return of more

Postmasters Ask Public Help in Halting Smut mail

Local postmasters have joined Postmaster General Arthur Summerfield's renewed war on obscene mail matter, a business which totals half billion dollars annually.

One complaint has been received at the Antioch Post Office, says Roy I. Kufalk, postmaster, and he adds that there must be several violations for every complaint.

KUFALK SAID that public cooperation is now more important and can be more effective because of a new law which makes it possible to prosecute mail order fifth dealers in local area courts.

Formerly, they could be prosecuted only at the point of origin of this material—usually a few big cities where obscene mail dealers have taken sanctuary behind legal technicalities and liberal court interpretations of what is obscene.

KUFALK QUOTED THREE rules the Postmaster General lists which can help local authorities stop the unwanted mail:

1. Save all materials received, including the envelopes and all enclosures.

2. Report the matter immediately to your local postmaster, and turn the materials over to him. (You may mail in your complaint and evidence if you wish.)

3. Stand ready to sign a formal complaint and testify if criminal action should be necessary.

Public cooperation has helped raise the number of arrests and prosecutions 45 percent over the previous year and is highest on record.

severe but fair discipline.

THE YOUNG CHILD needs a sense of adequacy and sureness within the authority figure upon whom he depends. When the authority figure becomes unsure, vacillating, inconsistent, afraid to take a stand, then the child loses some of his sense of security.

Much of an employee's sense of security must depend upon his confidence in the intelligence, judgment and soundness of his company or in the boss or foreman who directs him in his job.

In any work potentially dangerous, when management becomes frightened or unsure, this is reflected quickly in morale of employees through increase in illness and absenteeism and decreased productivity.

Dr. Schaffner summarized today's trends:

"WE ARE LIVING in a time of change and transition, when authorities—parents and bosses—are unclear as to their roles, their own values, their own rights or duties; and when their children, small and large, are equally unclear about their roles and relationships. The result is much friction and confusion.

"Consequently, there is a new search for solutions . . . solutions which will inevitably restore some of the sense of authority from the past, but without the excessive authoritative quality.

"There is a search going on for new forms of authority, which will have far more sensitivity to the feelings and rights of others, with far greater tact and wisdom in resolving conflicts between those in authority and those for whom and to whom they are responsible."

GIRLS IN CIVIC PROJECT

Brownie and Intermediate Girl Scouts of Gages Lake-Wildwood neighborhood of Lakeside Council are carrying on with a special civic project they started last December. They again donated a large supply of canned goods; collected, washed and ironed a vast supply of assorted clothing, and at Easter time made Easter baskets, filled them with candy and colored eggs.

SPRING DANGEROUS

Statistics show that the spring months are the most dangerous time of year for children. That's why parents are urged to place special emphasis on safety education for their youngsters during the current spring season. Children have a tendency to forget their safety lessons with the return of nice weather.

RC Sets Annual Election May 19

An election to fill more than 20 positions on the board of directors of the Lake County chapter of the American Red Cross will be held Tuesday evening, May 19, at the Great Lakes Naval Training Center's Officers Club.

Lake Countians who gave one dollar or more to the Red Cross this year are members of the chapter and are entitled to vote in the election, Denoyer, chapter chairman said.

All members should attend the election because "it is important that we get the best qualified persons to fill these positions for our board of directors largely determines how well the chapter functions."

CANDIDATES FOR the board

vacancies have been selected by a special nominating committee, but additional nominations will be accepted from the floor prior to the election.

Reports of the chapter's activities

during the past fiscal year will also be presented at the meeting. A highlight of the evening will be the capping of 28 college girls from Lake Forest and Bayat colleges Gray Ladies.

CAC Disagrees With Civic League On HS Bond Issue

Six points in the Lake County Civic League's appraisal of the bond issue for a new \$1,785,000 high school for the Antioch area were sharply criticized this week by the Citizens' Advisory Council which worked on the issue.

The Civic League report was released last week by Bruce Trester, executive secretary. The report called the bond issue upon which voters will ballot Saturday an economic issue if it was based on plans for a unit school system in this area. A unit system is when all schools in a high school area such as Antioch's are under one school board. The plan has been under discussion here but the school boards have not worked actively on the plan.

IN PRESENTING its views of the Civic League report, the Citizens' Advisory Council made the following statement:

"In accordance with our policy of keeping the voters of the Antioch High School district fully informed, the Citizens' Advisory Council wishes to try to clarify a few points of misunderstanding which may have arisen concerning Saturday's school election. Several of our citizens have asked us the following questions, and we have outlined a truthful and complete answer to each:

QUESTION: Could the district save \$16,000 by using a revised debt retirement schedule, which would pay off the bonds in 15 years instead of the 16 years reported to be adopted by the board?

Answer: This report was erroneous. The board has adopted a 15-year plan. Of course, an even shorter plan would save interest. If we retired the bonds all in one year, we would save a lot of interest. But the board tried to strike a happy medium between interest costs and tax rate, since it takes a higher tax rate each year to pay the bonds off in fewer years. We adopted a 15-year schedule, which creates an average 17½ cent tax raise as the best combination.

QUESTION: There have been conflicting reports of the capacity of the present high school, from 600 to 776. Which is correct?

Answer: 600 to 650 is considered a "reasonable capacity." This has been determined by the Advisory Council after consultation with educational experts from Northwestern University, the State Department of

Public Instruction and by conferring with educators who have taught in the building since the completion of the last addition. The Advisory Council stated that 740 will have to use these facilities before new ones are available, but 740 is far over the reasonable capacity.

QUESTION: Were the decision on solution and size of bond issue made or influenced by financial consultants to the Board or Advisory Council?

Answer: No. The Citizens' Advisory Council studied the problem, consulted with experts from Northwestern University and from the State Department of Public Instruction, and then made a unanimous recommendation, which the Board accepted. With the aid of an architect, the Board determined the building costs.

QUESTION: Has the possibility of a unit system been a controlling factor in the size of this bond issue?

Answer: No. The remote possibility of an immediate unit formation, or the more possible later formation of a unit, was considered by the Council and Board, and the solution was intended to be flexible enough to serve the district properly, whether or not there should ever be a unit. But the new building was not planned unduly large with that in mind. In fact, it is expected that additional facilities will have to be provided later, as enrollments exceed those for which reasonable current plans can be made.

QUESTION: Does the board expect to get a favorable bond sale on the current tight money market?

Answer: The bonds will be sold as soon as there is a favorable bond market, or when the money is needed, whichever is sooner. It may be best to sell the bonds in two or more sales. The board intends to watch the market with care, and take competitive bids on the bonds. The voters can be sure that the board will accept nothing but the lowest possible net interest cost bids.

QUESTION: Have enrollment projections included the Lindenhurst area?

Answer: Yes. "Members of the Citizens' Advisory Council, and indeed everyone who has analyzed the problem and solution carefully, agree that the proposed program is the best combination of educational and financial soundness, and that the education of our high school youth will be severely curtailed if this program is not approved."

Critic Reviews Work of Nine Local Artists

Doris Lane Butler was guest of the Antioch Brush and Palette Club last Saturday at a special luncheon at Smart's Country House.

Mrs. Butler is art critic for the Chicago Daily News and will soon take the position of advertising director for the Chicago Art Institute.

THE SPEAKER appraised the works of nine local artists and gave favorable comment on their efforts. Artists reviewed were: Eugene Bakes, Ruth Bemis, Virginia Francisco, Claire Gilday, George Grunow, Jacqueline Horton, Ellen McDowell, Bea Perry and Grace Strahan.

PREPARING FOR THE annual Armed Forces Day observance at Electronics Supply Office at Great Lakes are James R. Green, Zion, (seated) and Diane Robis of Antioch, a stenographer in the Administrative Services Section. Green is an amateur radio operator and shows how he and other operators will transmit messages from station W9JAM for ESO visitors on May 16.

Retires After 30-Year Service With Phone Co.

Mrs. Helen J. Scharrer, Rt. 1, Box 148C, an operator with Illinois Bell Telephone Co. here, retired this week after 30 years service.

Born in Chicago, she began her telephone career there. She transferred to Antioch in 1956.

SHE AND HER husband, John, have two daughters, Joanne, living in Lake Villa, and Justine, living in Antioch, and a son, John, who lives in Chicago.

A sister, Evelyn Ansel, is a PBX operator at the Irving office in Chicago and another sister, Katherine Wienert also is an operator in Fort Lauderdale, Fla.

After retirement, Mrs. Scharrer is looking forward to taking short motor trips.

Local MDs, Newsmen To Meet on Tuesday

Several area doctors will attend the regular meeting of the Lake County Medical Society meeting Tuesday at Grayslake to hear a panel discussion on news coverage of medical activities.

The joint meeting with the Lake County Press Club will be at the Country Squire Restaurant, beginning at 7:30 p. m. Panelists for the physicians are Dr. Gerrit Dargemond and Dr. Donald Nellins. For the newsmen will be Ed Nash of the Waukegan News-Sun and Roy Willey of the Chicago Tribune.

SLOWER SPEEDS IN WIND

Heavy winds can cause serious problems for motorists, according to the Chicago Motor Club. Your car may be more difficult to handle in a strong cross-wind, especially when it comes in gusts. To maintain control under such conditions, drive at moderate speed.

A Mother's Day Prayer

The God Who counts each turning leaf
And guards each bird in flight;
Who placed the moon and stars above
To guide us through the night;
Who spreads a blanket over earth
As winter's blast the while
And gives her back the breath of life,
With the Springtime of his smile;
The God who gave His life for love,
Will ease the mother's care
For He will bend a listening ear
To hear a Mother's Prayer.

When you're thinking of Air Conditioning

Good sound advice doesn't cost a cent

You know perfectly well that summer in Illinois can be miserably muggy, hot and humid. In fact there are days that are almost unbearable. And many people, perhaps you, put up with it. But why? Probably because you have a hunch it will cost a fortune to put in air conditioning. Well, to be frank, it doesn't cost much when you consider the comfort — the benefit we call it — your family, customer or employee receives from air conditioning.

Here is what you ought to do: Investigate. It doesn't cost you a cent. Find out exactly what air conditioning will cost for your place. And when you seek this advice — sound, down-to-earth advice — come to Lake County Heating at 384 Lake Street in Antioch. Actually, all you have to do is call John or Bill at Antioch 113.

Wouldn't it be worth it to make that call? All that is involved is a little of your time. The comfort of your family, your customer or your employee IS important — really.
